

A very Special Event at this years Region 16 show ~~

We are lucky enough to have Ali Almimar in Syracuse doing an exhibit of his fabulous paintings of Arabians at the time of our Region 16 Championships. Region 16 Championship show management is trying to help Ali extend his visa so he can be at our show. Ali has paintings all over the world including a wall mural at the Dubai airport. Check out his web site – it is truly magnificent.

On Friday afternoon, Bachir Bserani (who helps translate for Ali) will be attending our show and have copies of his book “Authentic Arabian Horse Names” and some of Ali’s paintings. Ali did the drawings in Bachir’s book. Bachir has donated a signed copy of his book to the Champion of the Arabian Native Costume ATR on Friday afternoon.
